

What is Mountain Haven?

Mountain Haven is a homeless shelter that provides temporary housing and care to runaway and homeless youth, 12-17 years old.

What do we provide?

Mountain Haven provides 24/7 safe and secure housing for youth of all backgrounds. Group discussions, life skills training, community engagement, and counseling services are provided to support the mind, body, and spirit of every child who enters.

Vision

We want every youth who leaves our doors to find a safe and secure home, and to have the skills and abilities to prevent any future instances of homelessness, all while engaging in and having positive interactions with their communities.

Mission

SAFETY. SECURITY. SUPPORT.

We want to provide our youth with the shelter and support they need to be safe while helping them remain in school and receive the medical/behavioral health care they need.

Our staff works diligently to promote long-term independence, autonomy, and healthy relationships. We strive for our youth to be connected to community supports and find a permanent, caring home.

HOW DO I MAKE A REFERRAL?

Easy! Call or visit Mountain Haven to get started.

A referral form must be completed prior to beginning an intake assessment. A legal guardian must be notified within 24 hours of arrival and will be encouraged to participate in the initial intake, if appropriate.

All youth are assisted by staff in arranging medical and behavioral health care, and immediate needs will be promptly addressed.
