**Need free or low-cost
health care?**

Choose us.

Here for you, Kentucky

We help people get the free or low-cost care they need

This includes working adults, families, people with disabilities, pregnant women and children. You may qualify too. We're committed to making a difference in each member's life. We look forward to serving you.

Get the care you need, when you need it

We offer a wide choice of doctors and hospitals. There are no costs to you for most benefits and services.

- Choice of doctor
- 24/7 NurseLine
- Unlimited virtual visits with a doctor
- Prescription drugs

Moms and kids get even more

These programs offer extra support to both moms and kids.

- Healthy First Steps® rewards program
- Boys & Girls Club membership

Get help doing good things for your health

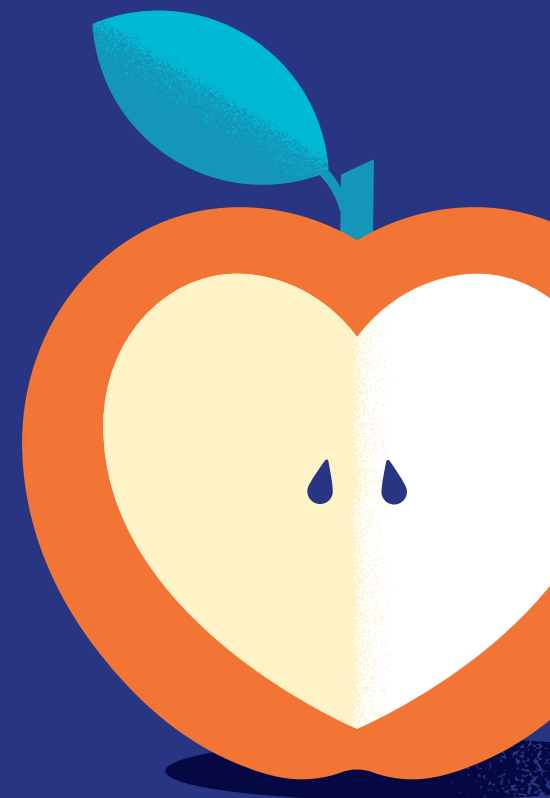

Our health and wellness programs support your efforts.

- Preventive services
- Member Rewards programs
- Programs to help stop smoking
