

Our Annual Impact

KVC Kentucky is a private, nonprofit organization that strengthens families, prevents child abuse and neglect, and helps people experience mental health wellness. We provide in-home behavioral health services, youth substance use treatment, foster care, and family preservation and reunification services.

**Over the last year,
we helped people in many ways:**

7,222
children in

3,127
families

received family preservation services
aimed at safely preventing the need for foster care

2,849

children safely prevented
from entering foster care

1,057

children and
adults benefited from
behavioral health services

96%
of children

safely remained with
or reunited with their
families after receiving
family preservation and
reunification services

27 children
cared for by KVC
foster families

48 youth received substance use treatment
